

Thames View Infants Charging Policy

The Governing Body of the Academy make no charges for term time activities and is fully compliant with the EFA Funding Agreement; however contributions will be sought for:

School Uniform

A price list is published in the School Office. At the Headteacher's discretion, free uniform will be offered where necessary.

Class visits organised by the school

Many visits (and theatre groups) are free. Where this is not the case, visits are subsidised by school funds and then, where possible, the school will seek a voluntary contribution from parents to cover the remainder of costs incurred. The rate of this voluntary contribution is agreed by Governors.

Home-loaned Mini-devices

Parents within Year 2 have the option of purchasing or lending an iPad, Netbook (or similar device). This is a non-compulsory initiative. School will make nominal charges for the cost of repairing a device if this is not covered by insurance.

School Dinners

School Dinners are free. All children stay for school dinners. At the Headteacher's discretion, an additional dinner (for free) will be provided if a child is still hungry.

Breakfast Club

Currently the School offers a free Breakfast Club; however at times, a small nominal charge may be made to cover costs.

After-School Clubs

All after-school clubs are free.

Hosting Facilities (School-to-School support)

Thames View Infants is a National Leader of Education and a Specialist Support School. We offer peer-to-peer support work for Schools and Governing Bodies as well as hosting facilities. This is charged for at a daily/half-daily rate and these details are published online.
